# KENNEL CLUB CODE OF ETHICS

UPDATED 2023

All breeders who register their puppies, and new owners who register ownership of their dogs with the Kennel Club, accept the jurisdiction of the Kennel Club and undertake to abide by its general Code of Ethics. Breeders/Owners:

1. Will properly house, feed, water and exercise all dogs under their care and arrange for appropriate veterinary attention if and when required.
2. Will agree without reservation that any veterinary surgeon performing an operation on any of their dogs which alters the natural conformation of the animal, or who carries out a caesarean section on a bitch, may report such operation to the Kennel Club.
3. Will agree that no healthy puppy will be culled. Puppies which may not conform to the Breed Standard should be placed in suitable homes.
4. Will abide by all aspects of the Animal Welfare Act.
5. Will not create demand for, nor supply, puppies that have been docked illegally.
6. Will agree not to breed from a dog or bitch which could be in any way harmful to the dog or to the breed.
7. Will not allow any of their dogs to roam at large or to cause a nuisance to neighbours or those carrying out official duties.
8. Will ensure that their dogs wear properly tagged collars and will be kept leashed or under effective control when away from home.
9. Will clean up after their dogs in public places or anywhere their dogs are being exhibited.
10. Will only sell dogs where there is a reasonable expectation of a happy and healthy life and will help with the re-homing of a dog if the initial circumstances change.

11. Will supply written details of all dietary requirements and give guidance concerning responsible ownership when placing dogs in a new home.

12. Will ensure that all relevant Kennel Club documents are provided to the new owner when selling or transferring a dog, and will agree, in writing, to forward any relevant documents at the earliest opportunity, if not immediately available.

13. Will not sell any dog to commercial dog wholesalers, retail pet dealers or directly or indirectly allow dogs to be given as a prize or donation in a competition of any kind. Will not sell by sale or auction Kennel Club registration certificates as stand alone items (not accompanying a dog).

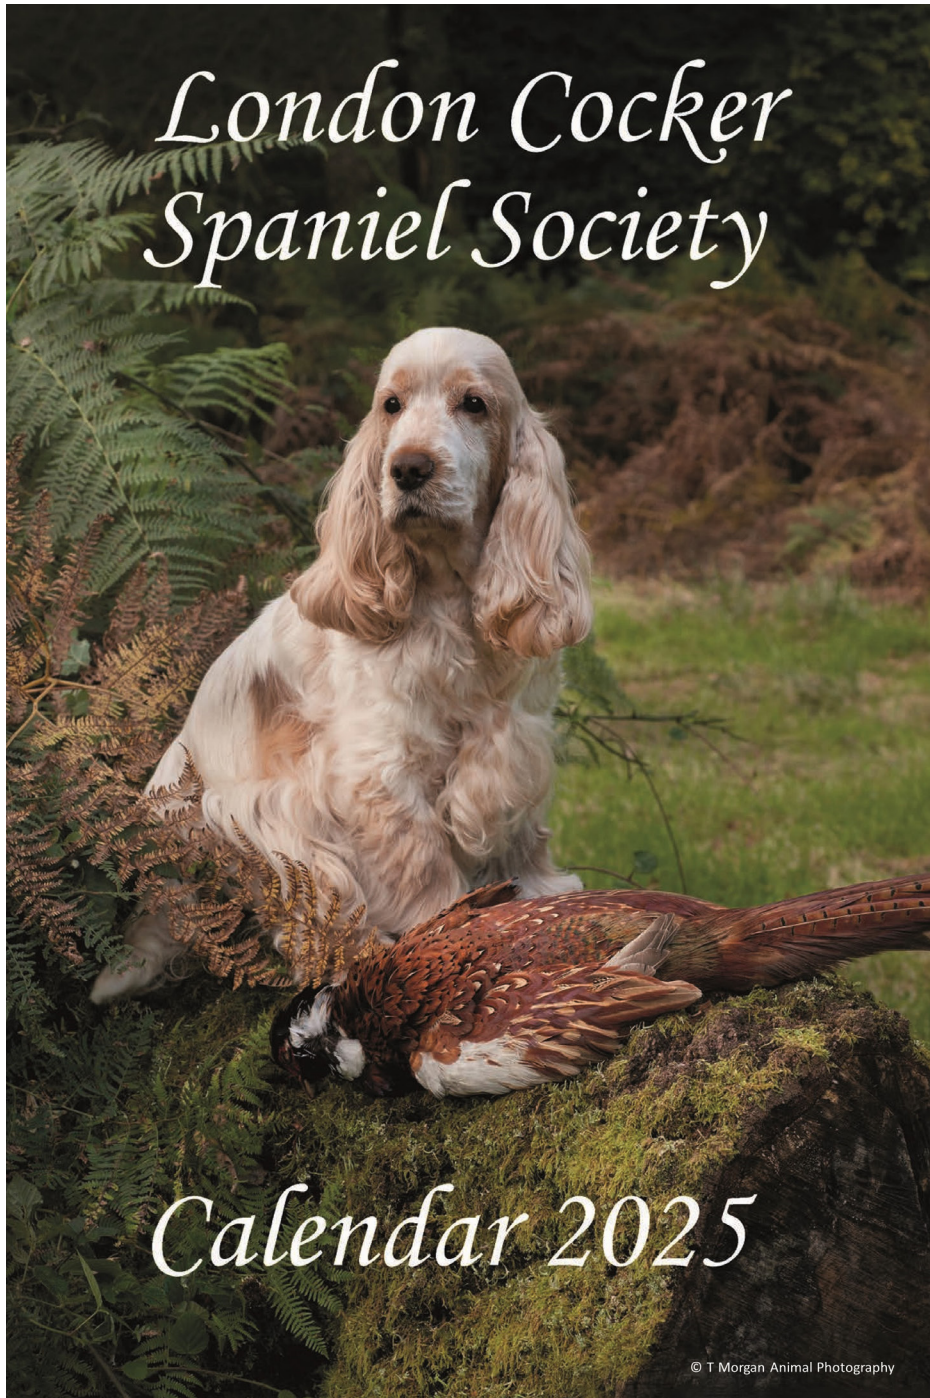

14. Will not knowingly misrepresent the characteristics of the breed nor falsely advertise dogs nor mislead any person regarding the health or quality of a dog.

15. Members will, when breeding dogs, adopt as a minimum standard the principles, requirements and recommendations as embodied in the Kennel Club's Assured Breeder Scheme. It is strongly recommended that members who breed should apply to join the scheme.

**BREACH OF THESE PROVISIONS MAY RESULT IN EXPULSION  
FROM CLUB MEMBERSHIP, AND/OR DISCIPLINARY ACTION BY  
THE KENNEL CLUB AND/OR REPORTING TO THE RELEVANT  
AUTHORITIES FOR LEGAL ACTION, AS APPROPRIATE**

## HON GENERAL SECRETARY AND SHOW SECRETARY'S REPORT 2024

Good afternoon Ladies and Gentleman, 2024 is going too quickly, I will now be thinking of our next champ show and the calendar for 2025.

Our 2023 Champ Show in December again drew a fab entry for Derek Shapland judging bitches and Samantha Gladman Dogs. The Christmas fancy dress was the highlight of entertainment. Such great costumes, both human and cocker spaniel. We had our Hilde as Mother Christmas and our President dressed as Father Christmas. Hilde was so very determined to fulfil this festive role even though she had terminal cancer. Very sadly we lost her at the beginning of the year. I wrote her eulogy which was posted in "Our Dogs". We will miss your laughter, bubbles and generosity at our Champ Shows Hilde. I will organise a special class, at Champ Show, in memory of our beloved Hilde and it will definitely have Bubbles!!

I have been most grateful as always to Tracy Morgan who produces excellent photos for the calendar every year which I then put together to send to the printers. The Calendar is as ever very popular, we continue to keep the price as low as possible.

The yearbook again is an excellent quality book, produced by Carley which takes hours and hours of collating photos and information to ensure the book is correct. Thanks also to Damien this year for typing up lists of members etc.

Thanks to Carole Burnet for another delicious Christmas Cake. The buffet at lunchtime at our Champ Show as always was amazing. Please note that, after this year, our Champ Shows will be on a Sunday so that parking will be free.

Summer has finally arrived so we can now get our cockers exercised and at summer shows all around the country as these are now in full swing although entry fees still rise.

My thanks to Les Harris and Sarah Phillips for all that they do. Also, our hardworking committee and not forgetting my husband, Ian, I thank you all.

Bridget Harris whose cakes we cannot be without and of course the most hard-working Damien and James.

Without all of you and all your gorgeous cocker spaniels we would not have these wonderful shows and so I give my thanks to you all

**Sue Warrington - ZAKOVA  
Hon Secretary.**

## CHAIRMAN'S REPORT FOR 2024

Both of our shows were well attended during the year, as well as receiving very positive comments from members and exhibitors alike. Our championship show had a very good entry, then came along storm Darragh which quite understandably put off some exhibitors from attending.

The positive comments received reflects the hard work given by the officers, committee, and helpers, to make this day possible.

Joanna Darby the breed club editor of Our Dogs has kindly given the society her permission for us to print her report, here are just some of her comments;

"A warm welcome awaited us at the venue- the heating was on and I did not feel cold all day inside the hall and it is so lovely to find smiley faces and help at hand to make sure everyone has the best day, you all worked so hard-thank you.

Derek Shapland disappeared at lunchtime and Santa Claus appeared instead for some fun with the fancy dress class and it began to feel a little bit like Christmas."

Finally another "thank you" to all our officers and committee members, as well as our helpers for your help in 2024.

Les Harris - Chairman.

## LCSS – TREASURER'S REPORT

AGM 30th June 2024

Please accept my apologies for not being with you today. I was invited to judge abroad before I became involved with the Society.

The approved Accounts are presented signed by me on behalf of the Society and by our Accountants Mandair & Co.

2023 was my first full year as treasurer. Thank you to the officers and committee for your help with providing receipts for purchases throughout the year which has assisted with reconciling our expenses.

You will see that the Society made a loss in 2023 of £3,366 compared with a loss in 2022 of £6,236. The improved position in 2023 is mainly due to improved interest rates leading to increased interest on investments, reduced spending on stock, fewer donations (2022 included £1,000 to the Kennel Club for Ukraine) and a reduced depreciation of tangible fixed assets.

It is worth noting the Accountancy accrual for 2023 which will be carried forward to the 2024 Accounts but effectively increases our loss in 2023 to £4,166.

Undoubtedly the largest portion of our losses arises from the production and distribution of the Society's yearbook which lost £2,115 in 2023, representing 63% of our total losses for the year. In 2022 the figures were £1,886 and 30% respectively. There is also an accrual of £750 for the yearbook production to be carried forward into 2024 as this is paid in arrears.

Other relevant losses are a significant fall in membership subscriptions and a £146 loss from the June open show.

I am delighted to report that a healthy profit of £843 was made at the December championship show, resulting in an overall profit for our 2023 shows of £697. A very successful raffle contributed more than 50% of this profit. Unfortunately, the 2024 championship show is likely to be adversely affected by the cost of the Woking venue which is set to rise significantly this year.

Like many other breed clubs and societies, we have been affected by widespread rising costs, including many essentials such as printing, stationery, catering supplies and postage.

In these undoubtedly difficult and uncertain times, we are incredibly fortunate to have been gifted a generous inheritance some years ago, which allows us to continue the Society's activities, despite our losses. Many breed clubs would have found this impossible and we are eternally grateful to our benefactor.

Of course, we will always strive to be profitable to help safeguard the future financial health of the Society. Accordingly, the officers and committee meet regularly to discuss improving uptake for the yearbook, driving memberships up and how to improve the profitability of our open shows. We are continuing to explore alternative show dates/days, different venues and combining with other club shows with the aim of reducing costs and maximising income.

Finally, we set up a Paypal account in 2023 which has provided another useful method of payment to help our members, particularly those overseas.

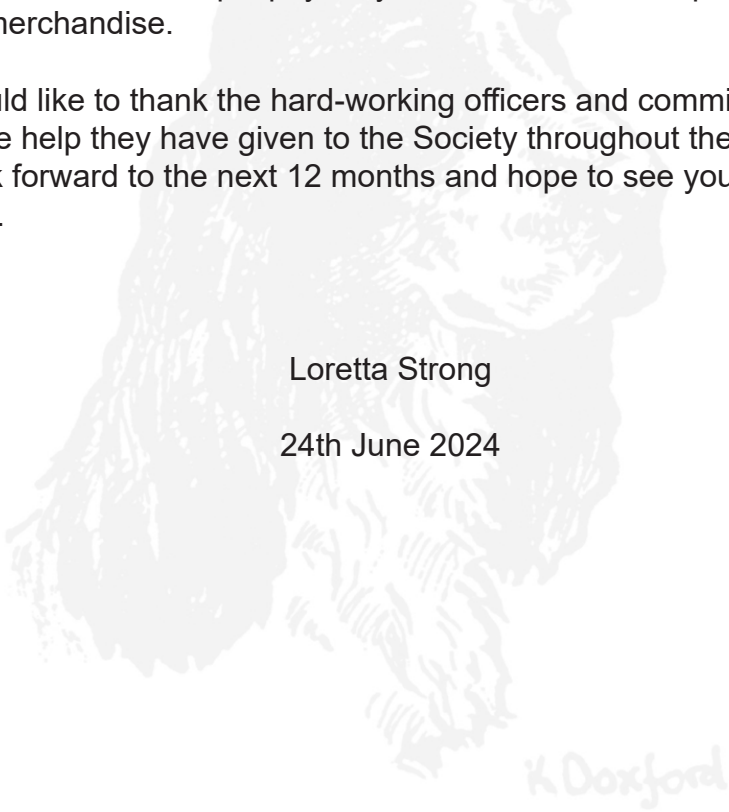

Finally, we set up a Paypal account in 2023 which has provided another useful method of payment to help our members, particularly those overseas. Members have since engaged with Paypal to renew memberships, pay for yearbook adverts and purchase our merchandise.

I would like to thank the hard-working officers and committee for all the help they have given to the Society throughout the year. I look forward to the next 12 months and hope to see you very soon.

## YEARBOOK EDITOR - CARLEY SARGENT

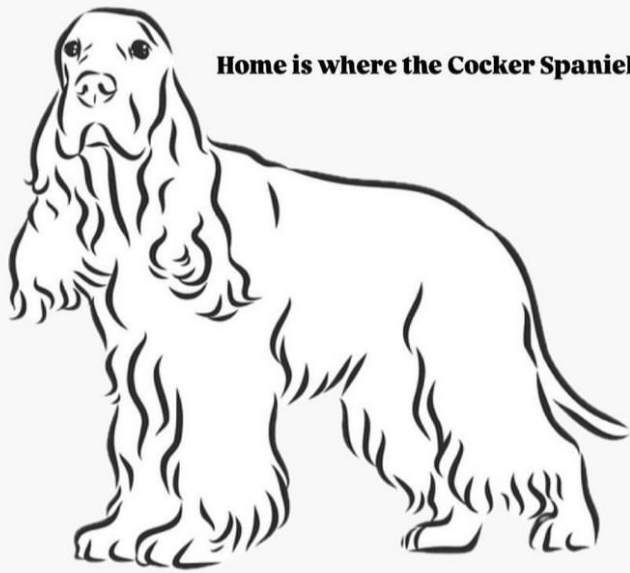

Hi, its been a busy 2024 year for me, I had a wedding to arrange, I tied the knot on August 28th to Mr Sargent, it was the most amazing day which I will never forget, the weather behaved itself, shining at 29 degrees!

Sadly my campaign with my dog "Rocket" ended, he excelled in Puppy classes, but he decided to stay puppy size at 24" not good for a GSP, bless him! I can still pick him and love him to bits!!

The yearbook as always is keeping me busy, however this year's we haven't received many adverts so we are going to have to rethink 2025's book , I thank everyone who has submitted an advert to support the club, thinking caps on for 2025!

No matters arising.

### **4. Chairs Report**

Good afternoon ladies and gentleman, welcome and thank you for attending the AGM of the London Cocker Spaniel Society.

Firstly, may I welcome two new committee members to their first AGM. They are Mrs Sandra Quigley and Mrs Kate Davies.

The society is suffering on two fronts, and I would ask you for your assistance in meeting these challenges. Firstly, our membership numbers are reducing at a worrying rate. We cannot meet the challenge of a demographic time bomb, but we can canvas for new members through

introductions, meetings, referrals etc. At just 23p per week the membership subscription could be deemed as affordable.

The second area is the yearbook. Advertising is the main source of revenue and is therefore critical to the future of this publication, therefore more advertisers are needed. In the same vein, as the membership, word of mouth is a crucial media.

If not already done so, may I ask you to look at the 2023 yearbook, where we reproduced with permission a glowing show report from Joanna Derby editor of the breed notes in "Our Dogs" – 'If ever a society should be commended for producing an excellent event, it was this one'.

Our sincere thanks go to all the officers and committee for their continued hard work and support, these thanks also go to other people who help in other ways, which plays an important and vital part to the running of the society.

*Les Harris, Chairperson*

Questions and comment were invited from the floor - none was received.

## **5. General Secretary's Report**

Good afternoon Ladies and Gentleman, 2024 is going too quickly, I will now be thinking of our next champ show and the calendar for 2025.

Bridget Harris whose cakes we cannot be without and of course the most hard-working Damien and James.

Without all of you and all your gorgeous cocker spaniels we would not have these wonderful shows and so I give my thanks to you all.

*Sue Warrington, General Secretary*

A thank you was then extended by Sarah, Vice Chairperson, to Les and Sue for all the time they give up, their continued efforts and hard work for the society.

## **6. Memberships Administrator's Report**

169 plus 10 overseas members of these only 99 are currently paid-up members. 44 members paid in 2023 and are yet to pay in 2024. An e-mail has been sent to 10 of the members so far to enquire as whether they wish to pay their fees and continue to be members. Some of the records of contact details appear to be out of date as e-mails are sometimes bouncing back.

Suggestion that we send a committee member to shows to market the society membership to show people. Les commented that we may need permission from the show itself to market in this way. Debby also commented that she would prefer not to have to do this at shows as this is not the purpose for her attending.

Agreement that any non-paying members will be contacted enclosing a stamped address envelope and bankers order for future subscriptions.

The membership form had some errors within which has now been corrected and this unfortunately has potentially resulted in some difficulties as both the e-mail addresses on the form and website link were incorrect. It is hoped that now these details have been corrected there will be increased success in members renewing or taking out a membership.

Question from the floor? If someone hasn't paid their membership do, they still get a yearbook. This year not all members may have received a yearbook. It was confirmed that if you have not paid you will not be sent a yearbook.

Debby confirmed feedback that sometimes members purchase their membership when entering the Champ show which is at the end of the year. Debby confirms to them that this covers the year which ends in December not the one following which starts in January.

Sue Cox feedback that the payment details previously attempted had not worked and requested that the bank details on the membership form are also checked. Les H confirmed there is a designated account for membership fees which he will check are the account included on the membership paperwork.

It was confirmed that membership is due on the 1<sup>st</sup> of January each year. If membership has lapsed, then you need to

reapply and as a new member or renewing member after a lapse this needs to come to committee for approval.

Do we reconcile all the payments from shows to a membership list or do we take it as given?

The entries are not received by the membership secretary until after the show and so this is not always possible prior to the show. Damien confirmed he received the spreadsheet, including those that have purchased membership, as soon as the entry shuts online which leaves a very small window before the show to check membership details or update lists. The spreadsheet is also sent to the membership secretary at this point as well which allows a further opportunity for lists to be reviewed and updated.

Suggestion - could we make the champion show equal for all so that you separate out the two e.g. membership and show fee.

Suggestion - £20 flat fee for all at the championship show. If this went ahead it would need to be crystal clear to all society members, this is going to happen.

Les H confirmed the hire of Woking Leisure Centre is £1500 and will be going up to approx. £2000. A few other venues have been asked what they would charge if we moved and some no longer want dogs and some are yet to reply. We do have a good relationship with the Woking Leisure Centre who treat us well which also needs to be considered. The show has been moved to Sunday from 2025 to allow for free parking.

Agreement from January 2025 joint membership will increase to £15.

## **7. Presentation of accounts for the year ending 31<sup>st</sup> December 2023**

Loretta is judging overseas and therefore sent her apologies for today.

Les H therefore read out her report on her behalf.

It was reported to those present at the AGM that Paypal was not working as expected - £12 is accepted but other membership tariffs are not being accepted which has prevented some membership payments being accepted. The committee asks that Loretta investigates this on her return.

Questions in relation to the accounts were then invited from the floor. None were received.

Agreement of accounts as presented to AGM.

James Hutton-Baber Proposed

Ian Warrington Seconded

All in favour.

**Accounts approved.**

## **8. Election of A) Officers and B) Committee**

Committee members were asked if anyone wished to stand down from the committee. No one did so.

New members – Sandra and Katie (see Chairperson's report) were agreed as new committee members.

James Hutton-Barber let the committee know that he has agreed to coordinate Discover Dogs and therefore he may need to step down next year and he will not be able to support LCSS at crufts.

Les H and Sue W agreed that they are happy to continue as officers.

Kay crisp is unable to attend meetings but supports with prizes and other events. It was agreed she be offered a position as an affiliated (non-voting) committee member in recognition of her contribution to the society.

Thanks also were extended to Judith who supports catering annually. Also invited to be an Affiliated member.

## **9. Future of the Yearbook**

It was explained that the invoice reflects the price of the paper purchased by the publishers on the day which in 2023 was more than expected. All were also reminded that the society membership price has always included the yearbook.

Question – do we get quotes for the printing costs? Not currently, beyond our usual printer, as it is expected that the costs elsewhere would be even more expensive.

Damien gave feedback that we are marketing our yearbook at the same time as the cocker club - should we move to issuing this at Christmas instead? It is difficult to get it done in time for crufts. Could we print the yearbook for the Christmas Champ show, so we no longer clash with the cocker club?

Fees for advertising are to be increased this year.

## **10. Honoraria**

Sue Warrington (Secretary) £750

All in agreement.

Loretta has indicated she does not wish to take an honorarium.

AOB – Flowers were purchased for Bridgette Harris as a thank you for her cake baking.

## PUPPY WALK

# CHAMPIONSHIP SHOW SATURDAY 7TH DECEMBER 2024 JUDGE RUDY FEYAERTS (BILLSOR) BITCH CRITIQUE

Many thanks to the Club and Committee for the invitation to judge my first Championship Show in the UK. I have attended this show several times over the years as a visitor, starting somewhere in the early 1980's, so it was quite a special feeling to find myself in the middle of the ring this time.

One of the most familiar faces awaiting Nelly and me at the show was that of Betty Rice-Stringer, Referee for many years at London Cocker and a dear friend of ours for even longer.

Another reason why this show is so special for us is the strong link with Hilde Provost, compatriot and friend, who passed away earlier this year and who was so appropriately commemorated with a Hilde Provost Memorial Bubbles Stake Class, judged by Melissa Apers in the company of Hilde's sister Annick.

Finally I would like to say a big thank you to my co-judge Jane Smith for the excellent company and cooperation and to everyone else who made the show so thoroughly enjoyable.

## CL 22 ANY COLOUR BABY PUPPY BITCH (3-1)

1 Edgington's Uxendel Scandal: What better way to start the day than with this little charmer, adorable head & expression, very well put together with straight legs, compact body, excellent angulations front & rear and a lovely coat, remarkably steady on the move for her age, clearly enjoying her day out. Best Baby Puppy Bitch and in agreement with my co-judge Best Baby Puppy In Show.

2 Flowers' Inverella Italian Connection: Slightly longer than 1 but a very promising puppy nonetheless, attractive head & expression, good overall conformation with compact feet and good coat quality, movement is a bit unconfident.

Best Puppy Bitch and in agreement with my co-judge Best Puppy In Show

2 Pretty's Joaldy Miss Galaxy: Lovely liver puppy with clear feminine appeal, refined head with sweet expression, excellent front assembly, well boned legs, clean neck, compact body, ample rear angulation, beautiful coat, not the strength in topline and the merry tail action of 1.

I am grateful to The London Cocker Spaniel Society Committee for inviting me to judge my second Championship Show.

A huge thank you to James and Debbie for their excellent stewarding and for always keeping my ring in order. Also thanks to my wonderful photographer Linda!

I enjoyed judging alongside Rudy Feyaerts (Billsor), and I want to thank him and his wife, Nelly, for their excellent company.

It was an absolute pleasure handling some exceptional specimens of our breed, and I appreciate each and every one of you for giving me that opportunity. Overall, all bites were correct, apart from a few level bites.

Also, please ensure that your dogs' teeth are clean. All males I judged today were entire. Please be mindful of level bites and tail carriages, as I found these faults disconcerting.

### Any Colour Minor Puppy (7, 1a)

1st Covington Delightful Hunter Legendary at Silverdust  
A striking 7-month-old light blue puppy who was beautifully presented. He stood squarely on well-boned legs and has a lovely head and expression. With a short and cobby build, he moved soundly and has a cheerful demeanour. I was pleased to award him Best Minor Puppy Dog, and, along with my co-judge, we also awarded him Best Minor Puppy in Show—well done and good luck for the future.

2nd Flowers Totenkopf Dutch Devotion  
A 9-month-old black puppy and another beautifully presented boy with a shiny coat. He had a kind expression, dark eyes with tight rims, good overall width and well-boned. He is very short-coupled and has a good width in his hindquarters. He moved well, although he did not display quite as much confidence as the first puppy.

3rd Cox Ryallcourt Charm of Unique

### Any Colour Puppy (5, 1a)

1st Smith Rayol The Journalist

This black dog is almost one year old. He has a short loin, a good neck and shoulder, and I loved his masculine head with such a melting expression. He has well-boned legs and moves with drive while maintaining his topline. His rear quarters are also excellent. He certainly has plenty of coat to keep his owner extremely busy!

## 2nd McBride Topday Take That

I really liked this young boy as well. He has a strong build, standing squarely on well-boned legs and neat feet. His head is lovely, and he excels in both his neck and shoulder. His topline is firm, and he has a perfect tail set. Additionally, he features short hocks and has a good width in his rear. I'm sure that on another day, these two will swap places.

## 3rd Terry Shaggylands Midnight Train

### Any Colour Junior (6, 2a)

#### 1st Pearce-Gudger Pearkim Pietro

At 18 months old this blue stands square and compact. His head is masculine, featuring a dark eye and deep muzzle. He has a good length of neck that flows into well-placed shoulders and a deep chest. ## 3rd Leslie Ferrersedge Shilling

### Any Colour Yearling (3, 1a)

#### 1st Williams Wilmerella Highlander JW

Blue, a 21-month-old male with a strong, masculine head but not overdone in any way. He has a deep muzzle. He has a kind expression, looking straight at you with his dark eyes. His angulation is excellent throughout, and he stands squarely on his neat feet. He is beautifully presented—what you see is what you get. He has a good front and a deep chest and is well-ribbed, excelling in his rear quarters, which he effectively uses to

his advantage when moving. He is correctly proportioned and a pleasure to handle. I was delighted to award him the Reserve CC today, and I am sure this boy will gain his crown. A worthy champion in my opinion. Good luck!

#### 2nd Kent Laurellakes Let's Dance

He is nearly 2 years old and is presented exceptionally well, showcasing a good head and eye. He is slightly longer in the loin compared to the first dog. He has ample bone, a good chest, and great width in his quarters. He moved very well for his handler; however, today he was unfortunately up against the first dog.

#### Any Colour Maiden (3)

##### 1st Gladman Chativore Ocean Commotion

At 17 months old, this light blue had a super head and eye with such a gentle expression. He is short and has a well rounded rib cage. He has a good length of neck and correct shoulders. He is well-boned and has neat feet. I believe he needs more time to develop. He moved very well, showing both drive and purpose.

##### 2nd Terry Shaggylands Midnight Train

Blue, 9 month old baby and shows a well-balanced structure at this stage. He has a deep chest and strong bone throughout. His head is masculine, and he is short-coupled with decent width in his hindquarters. Although he lost his topline while moving, he is still very young and will need time to develop and mature. Overall, he moved well and covered the ground effectively.

##### 3rd Dolan Snowgate Shine On

#### Any Colour Tyro (4, 1a)

1st Shapland Deracor Duty Paid Blue, 16 months. Very balanced standing and when moving. He has a kind expression and a masculine head without any coarseness. His neck is a good

His head is masculine, and he possesses a lovely expression. He has a strong bone structure and neat, tight feet. His neck is powerful, and the shoulder placement is correct. He is well-balanced and well-muscled in the rear, with short hocks. He moves with purpose and has a happy disposition.

2nd Young Canyonn Black Caviar JW

This 2½-year-old black dog was very well-balanced throughout. He has a masculine head with a kind expression and nice dark eyes. His ribs are well sprung, and he has a good length of neck with well-laid-back shoulders. He has great bone structure and neat feet. He is slightly longer in the hock than 1. He moved very soundly using his ever-wagging tail and maintained his topline while in motion as well.

## Any Colour Special Beginners (5, 1a)

1st Dolan Snowgate Shine On

2nd Leslie Ferrersedge Shilling

This 1½-year-old light blue male was slightly coarser in the head and longer in the loin compared to the first entry. He presented well, with a deep muzzle and a correct ear set. He appears balanced overall, exhibiting a good upper arm, strong bone structure, and well-formed feet. His hocks are nice and short. However, he does have a slight drop in his croup and did not move to his advantage today.

3rd Jarvis Galibar Goldeneye

## Any Colour Limit (10, 1a)

My toughest class of the day! At first glance, the quality was outstanding. Thank you all for giving me the pleasure of judging these dogs. I could have easily given out a few firsts.

1st Beswick Esqueen Give A Gift For Cachel (Imp Pol)

This 3½-year-old boy was truly outstanding. He stood square and compact, with no exaggerations in his build. He is short in the loin and has a rounded rib cage, making him solid and robust. His masculine head is free of coarseness, embodying all the qualities of a true “boy,” with dark, soulful eyes that convey a kind expression. He has a super deep chest and exhibits great bone, substance, and power throughout his physique. He was beautifully trimmed, with nothing hidden or exaggerated in his appearance. He is like a little power machine, cheerful and moving around the ring effortlessly. He ticked all my boxes! I would gladly welcome him to Scotland any day! He was definitely my “take-home” dog today. I was thrilled to award him his first CC, much to his owner’s joy! In agreement with the co-judge, he was awarded Best In Show. I will follow his progress, and I believe he

is a very worthy champion. Good luck to you both!

### 2nd Platt Allerts Fine Dining At Charbonnel

Almost 2 years old, this dog is light blue in colour. He is a lovely boy, presented in excellent coat and condition. He is slightly finer than dog one but possesses exceptional qualities throughout. His head is masculine, with a deep muzzle and dark eyes that convey a kind expression. He has the correct neck length leading into well-sloped shoulders, a deep chest, and ample bone structure, standing on neat feet. He is slightly longer in the loin but maintains a super topline, which he holds well when moving. He has great width in his rear quarters and short hocks.

### 3rd Smith Rayol Look Hu's Talkin

#### Any Colour Open (6)

This was another great class of dogs, and all could easily change places on another day. They are worthy champions, and I thank you for allowing me to handle them today.

### 1st Cassidy Sh Ch Manchela Speechless At Cassoz JW

Four years old, this light blue boy is truly lovely. He has a masculine head with tight, dark eyes and a great front featuring a deep chest, strong bone, and impressive substance. His neck is ample in length and leads into a properly placed shoulder. He is well-ribbed and short-coupled, with an excellent rear, well-muscled thighs, and short hocks. He is square and balanced, with a superb topline both standing and in motion, and he carries his tail well. He is sound and happy on the move, always giving his best in the ring. I considered him today and shortlisted him to my final six.

### 2nd Williams Sh Ch Wilmerella Outlander

## 2nd Williams Sh Ch Wilmerella Outlander

I appreciate his masculine head and dark eyes; he embodies all the charm of a young male without any coarseness. He has a nice neck length, correct shoulder placement, a deep chest, and well-boned legs with neat feet. Overall, he is very balanced. His rear quarters are super well-muscled, and he has a good spring of rib. He moved soundly and purposefully, showcasing his merry tail action. He really pushed hard today for first place, and I believe he and the winner will likely swap places in the future. He is beautifully presented and in excellent condition, always giving his best to his owner.

# THE BREED STANDARD

A Breed Standard is the guideline which describes the ideal characteristics, temperament and appearance of a breed and ensures that the breed is fit for function. Absolute soundness is essential. Breeders and judges should at all times be careful to avoid obvious conditions or exaggerations which would be detrimental in any way to the health, welfare or soundness of this breed. From time to time certain conditions or exaggerations may be considered to have the potential to affect dogs in some breeds adversely, and judges and breeders are requested to refer to the Kennel Club website for details of any such current issues ([www.the-kennel-club.org.uk/services/public/breeds/watch](http://www.the-kennel-club.org.uk/services/public/breeds/watch)) If a feature or quality is desirable it should be present in the right measure. However if a dog possesses a feature, characteristic or colour described as undesirable or highly undesirable it is strongly recommended that it should not be rewarded in the show ring.

## General Appearance

Merry, sturdy, sporting; well balanced; compact; measuring approximately same from withers to ground as from withers to root of tail.

## Characteristics

Merry nature with ever-wagging tail shows a typical bustling movement, particularly when following scent, fearless of heavy cover.

## Temperament

Gentle and affectionate, yet full of life and exuberance.

## Head and Skull

Square muzzle, with distinct stop set midway between tip of nose and occiput. Skull well developed, cleanly chiselled, neither too fine nor too coarse. Cheek bones not prominent. Nose sufficiently wide for acute scenting power.

## Eyes

Full, but not prominent. Dark brown or brown, never light, but in the case of liver, liver roan and liver and white, dark hazel to harmonise with coat; with expression of intelligence and gentleness but wide awake, bright and merry; rims tight.

## Ears

Lobular, set low on a level with eyes. Fine leathers extending to nose tip. Well clothed with long, straight silky hair.

## Mouth

Jaws strong with a perfect, regular and complete scissor bite, i.e. upper teeth closely overlapping lower teeth and set square to the jaws.

## Neck

Moderate in length, muscular. Set neatly into fine sloping shoulders. Clean throat.

## Forequarters

Shoulders sloping and fine. Legs well boned, straight, sufficiently short for concentrated power. Not too short to interfere with tremendous exertions expected from this grand, sporting dog.

## Body

Strong, compact. Chest well developed and brisket deep; neither too wide nor too narrow in front. Ribs well sprung. Loin short, wide with firm, level topline gently sloping downwards to tail from end of loin to set on of tail.

## Hindquarters

Wide, well rounded, very muscular. Legs well boned, good bend of stifle, short below hock allowing for plenty of drive.

### **Feet**

Firm, thickly padded, cat-like.

### **Tail**

Set on slightly lower than line of back. Must be merry in action and carried level, never cocked up. Previously customarily docked.

Docked: Never too short to hide, nor too long to interfere with, the incessant merry action when working.

Undocked: Slightly curved, of moderate length, proportionate to size of body giving an overall balanced appearance; ideally not reaching below the hock. Strong at the root and tapering to a fine tip; well feathered in keeping with the coat. Lively in action, carried on a plane not higher than level of back and never so low as to indicate timidity.

### **Gait/Movement**

True through action with great drive covering ground well.

### **Coat**

Flat, silky in texture, never wiry or wavy, not too profuse and never curly. Well feathered forelegs, body and hindlegs above hocks.

### **Colour**

Solid Colours

Black; red; golden; liver (chocolate); black and tan; liver and tan; No white allowed except a small amount on chest.

Particolours Bicolours

Black and white; orange and white; liver & white; lemon and white; All with or without ticking

Tricolours

Black, white and tan; liver, white and tan.

Roans

Blue roan; orange roan; lemon roan; liver roan; blue roan and tan; liver roan and tan.

Any colour or marking other than the above is undesirable.

### **Size**

Height approximately: dogs: 39-41 cms (15 1/2-16 ins); bitches: 38-39 cms (15-15 1/2 ins).

Weight approximately: 13-14.5 kgs (28-32 lbs).

### **Faults**

Any departure from the foregoing points should be considered a fault and the seriousness with which the fault should be regarded should be in exact proportion to its degree and its effect upon the health and welfare of the dog, and on the dog's ability to perform its traditional work.

### **Note**

Male animals should have two apparently normal testicles fully descended into the scrotum.

## THE JUDGE

*I want to be a dog show judge, I want my name in lights  
I started at the bottom, but I want to reach the heights.  
I've done all the assessments, I've travelled near and far  
I've covered every county, in my trusty little car.*

*I've befriended all the secretaries, I've got to know who's who  
I know all the committees, and just what's the thing to do.*

*And now I've got my first big show, the dogs are walking in  
I have to really concentrate, and decide who I should bin.*

*That second dog is very smart, and moving really well  
But I don't know him from Adam, so he can go as well.*

*There's Mary standing at the front, her dog is past his peak  
But I think I'll give her Best in Breed, she's judging us next week.*

*Phyllis should retire that dog, his front is really bad  
But I want to use her stud dog, so best not get her mad.*

*The dog that I put second, his owners got a cheek  
I know that its sedated, it bit the judge last week.*

*Well that's the judging over, I think I did it well  
Now, who owes me a favour? Only time will tell!*

Daisy was our first cocker spaniel and started off our love of this breed and the bug to show. She always made us proud especially as she got older, winning many best veteran awards and was best veteran bitch at the Cocker Club 2016 and at Crufts 2017. She produced two lovely litters with the second litter giving us Freddy shown below now 14. Freddy had sired some lovely litters including giving us Martha with our sadly now departed Eva. He enjoyed taking part in agility but now prefers a quiet life on the sofa.

**D.O.B 26/07/15**

Now in semi retirement Clover has given us so many lovely show days, and thank you to all the judges whose eye she has caught. She gained her Stud Book Number quite a few years ago, also her Bronze, Silver and Gold Royal Kennel Club Good Citizens awards. Most of all Clover is a delightful dog to live with her half sister Chalkhill Impossible Dream (Saffy) 12.6 years, and Chalkhill Topaz who is 6 years, all home bred

# KIMAPA

Parti-colour cocker spaniels bred for health, type, and temperament. The Kimapa Krew are my furkids who love going to the beach, swimming in rivers, and having long walks in the Peak District. Then occasionally they love to get all smart and go in the show-ring and strut their stuff.

Our achievements include multiple BPIB, BOB, RBOB, BVIB, BVIS, BSBIB, Adult Gundog Group placings, Puppy Gundog Group placings, 6 stud book number holders and 2 VW title holders to date.

I am immensely proud of all of the Kimapa Krew and their many many places over the years and I cannot thank the judges enough for thinking so highly of my dogs it means so very much to me.

# KIMAPA

My very first homebred kimapa girl who was such fun to show and also loved to do agility and rally obedience, she gained her stud book number and in just 4 shows after becoming a veteran she had 2 best veteran in show awards which I'm tremendously proud of, and then went on to gain her Veteran Warrant in just a few short months. She absolutely was at home in the show-ring and was the original "bendy bum kimapa" with her tail never stopping even whilst being stacked. Her career ended with Best Veteran Bitch in Breed at Bath Championship Show 2023, sadly she passed away 12 days after.

My first homebred liver roan girl, she is a dream come true, she was my first homebred baby to gain BPIB and has been successful at shows getting BOB, RBOB, Gundog Group 4th and having fabulous critiques from judges. She is Krazee's last daughter and is very much like her momma she loves to show off, super intelligent and very in tune with emotions. In 2023 she gave birth to her first litter and produced the most amazing babies of which 3 are currently being shown very successfully.

# KIMAPA

She is Krazee's daughter and my first homebred blue roan and tan, she was my first homebred girl to gain her stud book number which was a massive achievement and a very proud day I will never forget. She has now gained her Veteran Warrant following in her mothers footsteps of still loving showing off as a veteran and enjoying the lime-light, her favourite thing ever though is food hahaha.

The first daughter of Kritter she is very special indeed, whereas her mum is a dark blue roan & tan, Kiantu is very much the opposite being a light Blue Roan & Tan who is often mistaken for a Black/White & Tan. She loves to show off & has done well at shows so far & her most memorable show so far was when she gained her stud book number alongside her daughter Korki, but her most favourite thing is to snuggle on my lap for cuddles. She is currently in the beginning of showing as a veteran & is just having so much fun playing and bouncing round the ring & despite being cheeky & naughty she has gained a couple of Best Vet in Breed & Best Gundog Veteran awards already

# KIMAPA

This crazy little girl is Kiantu's first daughter and my first homebred orange roan. This little girl has literally astounded me, she has had BPIB multiple times, she has had multiple champ show placings and qualified for crufts at her 2nd ever champ show. And the best bit so far was gaining her stud book number in 2021 becoming the 4th generation Kimapa to gain her stud book. I've had the most wonderful comments about my little Satsuma and I cannot wait to see what the future holds with this special girl. After a short period of not showing she is back out in the ring again and placing well.

# KIMAPA

This is my little liver roan princess, she is very sweet and feminine like her mum Kaia but she is also very feisty and a proper little tomboy too. From day one this little lady has been the centre of attention making it all about her and loves attention. She is a natural in the show-ring and enjoys every minute of it. I can't wait to continue showing this little lady as she gets better with age. Some of her fabulous wins to date are.....

\*1st cocker puppy, Best Puppy in Breed and Puppy Group 3rd at York open show.

\*Best Puppy in Breed and Puppy Group 2nd at Huddersfield open show.

\*1st cocker puppy and Best Puppy in Breed at Stafford open show.

\*1st cocker puppy, Best Puppy in Breed, Best of Breed, and Puppy Group 3rd at Aberystwyth open show.

\*2nd Minor Puppy Bitch at Bath Championship Show.

A huge thank you to all the judges who have thought so highly of my little girl so far and for your kind supportive words.

# KIMAPA

This little man is mummy's little heartthrob, he is litter brother to Kwtch. What a journey this young man has taken me on in the show ring so far! He has consistently been placed. One of his biggest achievements was gaining his stud book number at just 9mths old. I have to pinch myself daily with how outstanding this little guy is.

- \*1st cocker puppy, BPIB, Puppy Group 4th at Aberystwyth Premier show.
- \*Best Puppy in Breed at Ruthin Open Show.
- \*Best Puppy in Breed and Puppy Group 1st at Honley Open Show.
- \*Best Puppy in Breed and Puppy Group 3rd at Goosnargh & Longridge Open Show.
- \*Best Puppy in Breed and Puppy Group 2nd at Walsall Open Show.
- \*3rd Limit dog at The Cocker Club Champ Show under breed Specialist Dawn Young.
- \*1st cocker puppy dog & BPD at Richmond Championship Show under Brian Limpus.
- \*1st AOC special graduate dog. 1st Novice dog, 1st Special beginners dog, At North Wales cocker championship show under breed specialist Tim Harrison.
- \*1st GCD, 1st SBD, BSBIB, At LKA under breed specialist Sue Warrington.
- \*1st AV junior stakes out of 28 at Darlington Open show under Tony Allcock

Thank you to all the judges who have thought so very highly of my boy
