

## Judges report for The London Cocker Spaniel Society open show held on 17/02/2019, at Cobham village hall, KT11 2LU

It was an honour and privilege to be asked to judge The London Cocker Spaniel Society's open show. Thanks to the committee and my able stewards and for a delicious lunch.

I very much enjoyed going over some quality dogs and thanks again to all those who entered under me.

Just an observation, although I did not penalise, nor take a note that a few exhibits could have had better dental care.

Any solid colour including solid/tan
