Beautiful blue roan puppy bitch. Gorgeous head with a lovely expression. Short coupled, Cobby with good angulation. Very merry and showed herself well moving freely and elegantly.

2nd 8- Harbetgol look magic melody

Blue roan bitch, personally preferred 1st way of going however to go over she is a very well put together older puppy. Compact and cobby with a beautiful coat that was well presented.

3rd 49- Lujesa living the dream

Special awards post graduate

1st 52- Reemif midnight blue for chanmalo shcm

Eye catching flashy blue roan dog. Full of presence and he moved freely and merrily.

Masculine head, cobby with a good amount of bone. Compact with well sprung ribs. He was well muscled and this showed in his movement.

2nd 20- Princehill shining star

Very sweet black and white bitch. Definitely my cup of tea. Feminine head with beautiful expression. Lovely top line and nicely put together. However she didn't show her best in this class.

3rd 31- Zakova fire dancer

Special award open

1st 51- Mystical milow at Chanmalo shcm

Good looking mature blue roan dog who had a rather handsome expression. Short coupled and well muscled. He floated when he moved. Well presented with a beautiful flowing coat.

2nd 7- Manchela Hugo Boss Jwshcm shcex

Clearly an experienced blue roan dog. Lovely head, merry expression. Handled to perfection and well presented. I found him slightly longer cast than 1st.
